

UME-Series Remote

Built to deliver the highest level of performance

and safety in UV air disinfection

UME Economy UV Series Remote Lamp Models

An Ultramax UME UV system helps optimize indoor air by killing millions of airborne bacteria, viruses -- even mold and other allergens. Using Ultravation's T3 remote lamp design, the UV lamps can be strategically placed for optimum performance (we recommend professional installation). Backed by a 10 year warranty, an Ultramax UV system is designed for many years of service.
